## About Company

 Provided by Customer

## I JANG GROUP

Since its establishment, the I Jang Group has been undertaking management reforms to counter the rapidly-changing business climate. All fellow members stick to the practical and earnest working spirit, and have high expectation from themselves to meet the market demand and satisfy customer requirement.

In order to achieve high quality and strong competitiveness for products, and fully satisfy domestic and foreign buyers, fellow members at I Jang's Business Department have alternately taken jobs at different departments and taken professional management courses.

This way, they can utilize technology innovation, strict quality control and earnest services to provide customers with high-quality products at reasonable costs, and can accumulate various experiences and quickly come up with suggestions for customers to deal with problems.

Meanwhile, through the integration of market trends and customer requirements, the Business Department can offer a guiding direction for internal.

R&D and quality control operations, thereby marking the I Jang Group Meet stringent international standards.

The department has incessantly worked hard to sharply upgrade its services.
